6 minute act (can shorten if needed)

8x10m floor with 6m height is ideal but we can adapt depending on the space

The artists reserve the right to inspect the space beforehand

The client is responsible for providing:

- 8x10m floor with either dance floor or acrobatics mats
- 6 m in height
- Lighting
- Sound System
- Time to rehearse in the performance space and also a separate warm up space. There will be time needed for checking the lights while practicing
- Dressing room with mirrors and a place to put personal belongings

The artists will provide:

- Music-either USB, CD, or Mp3
- Costumes
- Makeup
